ENTITLEMENT TO ATTEND AND VOTE

You will be entitled to attend and vote at the Annual General Meeting if you are registered as a Shareholder of the Company as at 10.00 a.m. (AWST) on Tuesday, 24 November 2015. This is because, in accordance with the Corporations Regulations 2001 (Cth), the Board of Directors has determined that the Shares on issue at that time will be taken, for the purposes of the Annual General Meeting, to be held by the persons who held them at that time. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the meeting.

HOW TO VOTE

Voting in person

Shareholders who plan to attend the meeting are asked to arrive at the venue 15 minutes prior to the time designated for the meeting if possible, so that their holding may be checked against the Company's register of members and attendances recorded.

Corporate Representatives

A body corporate, which is a Shareholder or which has been appointed as a proxy, may appoint an individual to act as its corporate representative at the meeting in accordance with section 250D of the Corporations Act. The appropriate appointment document must be produced prior to admission. A form of the certificate can be obtained from the Company's registered office.

Voting by Proxy

A Shareholder who is entitled to attend and cast a vote at the meeting may appoint a proxy. A proxy need not be a Shareholder and may be an individual or body corporate. If a body corporate is appointed as a proxy it must appoint a corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the meeting (see above).

A Shareholder who is entitled to cast two or more votes may appoint two proxies to attend the meeting and vote on their behalf and may specify the proportion or a number of votes each proxy is appointed to exercise. If a Shareholder appoints two proxies and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, each proxy may exercise half of the votes (disregarding fractions). If you wish to appoint a second proxy, you may copy the enclosed proxy form or obtain a form from the Company's registered office.

To be effective for the scheduled meeting a proxy appointment (and any power of attorney or other authority under which it is signed or otherwise authenticated, or a certified copy of that authority) must be received at an address or fax number below no later than 10.00 a.m. (AWST) Tuesday, 24 November 2015, being 48 hours before the time of the meeting. Chairman as proxy

If you appoint a proxy, the Company encourages you to consider directing them how to vote by marking the appropriate box on each of the proposed Resolutions.

If a Shareholder entitled to vote on a Resolution appoints the Chairman of the meeting as their proxy (or the Chairman becomes their proxy by default) and the Shareholder does not direct the Chairman how to vote on the Resolution:-

- The Chairman intends to vote in favour of the Resolution, as proxy for that Shareholder on a poll; and
- For Resolution 1, the Shareholder will have given the Chairman express authority to vote as the Shareholder's proxy on the relevant resolution even though the resolution is connected directly or indirectly with the remuneration of a member of the KMP for the Company and even though the Chairman is a member of the KMP, unless the Shareholder expressly indicates to the contrary in the proxy appointment.

If you do not want to put the Chairman of the meeting in the position to cast your votes in favour of any of the proposed Resolutions, you should complete the appropriate box on the proxy form, directing your proxy to vote against, or to abstain from voting, on the resolution.

Other members of KMP as proxy

If a Shareholder appoints a Director (other than the Chairman of the meeting) or another member of KMP (or a Closely Related Party of any such person) as their proxy and does not direct the proxy how to vote on Resolution 1 by marking the 'For', 'Against' or 'Abstain' box opposite the relevant Resolution on the proxy appointment, the proxy will not be able to exercise the Shareholder's proxy and vote on their behalf on the relevant Resolution.

QUESTIONS FROM SHAREHOLDERS

The Chairman of the meeting will allow a reasonable opportunity for Shareholders at the meeting to ask questions about and make comments on the management of the Company and on the Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report (Reports), as well as each of the Resolutions to be considered at the meeting.

A representative of the Company's auditor will attend the meeting. During the meeting's consideration of the Reports, the Chairman of the meeting will allow a reasonable opportunity for Shareholders at the meeting to ask the auditor's representative questions relevant to the:-

- Preparation and content of the Auditor's Report for the financial year ended 30 June 2015;
- Accounting policies adopted by the Company in relation to the preparation of the financial statements contained in the Financial Report for that year; and
- Independence of the auditor in relation to the conduct of the audit.

Shareholders may also submit a written question to the Company's auditor if the question is relevant to the content of the Auditor's Report or the conduct of the audit.

If you wish to submit a question in advance of the meeting, you may do so by sending your question to one of the addresses or facsimile numbers above by no later than Tuesday, 24 November 2015. The Company and the auditor will attempt to respond to as many of the more frequently asked questions as possible. Due to the large number of questions that may be received, the Company and the auditor will not be replying on an individual basis.

ORDINARY BUSINESS

Annual Financial Report

The Annual Report 2015 (including the financial statement, Directors' report and Auditor's report for the financial year ended 30 June 2015) is available for review by Shareholders at www.dragonenergytld.com and will be tabled at the Meeting.

- (b) ask questions or make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the auditor's report.

Resolution 1 – Adoption of Remuneration Report

The Board submits its Remuneration Report for the year ended 30 June 2015 to Shareholders for consideration and adoption by way of a non-binding resolution.

The Remuneration Report is included in the 2015 Annual Report. The report:

- (i) explains the Company's remuneration principles relating to the nature and amount of the remuneration of directors, senior managers and other group executives of the Company;
- (ii) discusses the relationship between such principles and the Company's performance; and
- (iii) sets out remuneration details for each director and for each relevant executive of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting.

The vote on the Remuneration Report is advisory only and will not bind the Company, however the Board places importance on the outcome of the vote and will take it into account when considering the Company's remuneration policy.

Please read the information under the heading 'Chairman as proxy' which deals with the Chairman's voting of undirected proxies on this Resolution.

A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

Directors' recommendation

The Board of Directors recommends that Shareholders vote in favour of Resolution 1.

Resolution 2 – Re-election of Mr Jie Chen as a Director

Clause 13.2 of the Constitution of the Company requires that one third of the Directors in office (other than a Managing Director) must retire by rotation at each Annual General Meeting of the Company.

Mr Chen therefore retires at the forthcoming Annual General Meeting in accordance with the Constitution and being eligible, has offered himself for re-election at the meeting.

Mr Chen has over 30 years of operational and management experience in the mining industry in the People's Republic of China (PRC). He started his mining and management career in 1979 with a large China state-owned coal mining enterprise in the PRC. Mr Chen has been chairman of the Shandong Taishan Sunlight Group Company Limited (Shandong Group) since 2002. Under his leadership, the Shandong Group formed three vertically integrated businesses in coal, iron ore mining, processing and manufacturing with operations in Shandong, Guizhou, Ningxia and Xinjiang. The coal mine under his management holds a safety record of over 5,000 days with no fatality.

Mr Chen has a master degree in economics and is currently working on a doctorate degree in mine engineering with the China University of Mining and Technology. He has received numerous distinguished awards at provincial and national levels for his achievements in entrepreneurship and leadership including being one of the 10 excellent entrepreneurs in Shandong Province, top 20 best mine managers in the PRC and PRC's excellent entrepreneur.

Directors' recommendation

The Board of Directors, with Mr Chen abstaining, recommends that Shareholders vote in favour of Resolution 2.

Resolution 3 – Re-election of Mr Michael van Uffelen as a Director

Rule 13.5 of the Constitution of the Company and Listing Rule 14.4 provide that a director appointed to fill a casual vacancy or as an addition to the Board must not hold office (without re-election) past the next Annual General Meeting of the entity.

Mr van Uffelen therefore retires effective at the end of the Annual General Meeting in accordance with the Constitution, and being eligible, has offered himself for re-election.

Mr van Uffelen holds a Bachelor of Commerce degree from the University of Western Australia and is a Chartered Accountant. He has more than 25 years accounting and finance experience gained with major accounting firms, investment banks and public companies, both in Australia and internationally. Since 2010, Michael has focused on providing CFO, company secretarial and corporate finance services to companies in Australia.

Directors' recommendation

The Board of Directors, with Mr van Uffelen abstaining, recommends that Shareholders vote in favour of Resolution 3.

Resolution 4 – Appointment of auditor

BDO Audit (WA) Pty Ltd (BDO) has been engaged as the Company's auditor since 2008. The Directors believe this is an appropriate length of time to retain an auditor. The Company conducted a tender process and invited a number of firms, including the current auditor. Following the completion of the tender process and the nomination from a Shareholder, it is proposed that RSM Bird Cameron Partners will be appointed as the new auditor of the Company. RSM Bird Cameron Partners have consented to act in this capacity. A copy of the nomination of RSM Bird Cameron Partners as the Company's auditors is attached in accordance with Section 328B(1) of the Corporations Act 2001.

The Directors understand that the Company's current auditor, BDO will give notice to ASIC of their intention to resign as an auditor of the company (under section 329(5) of the Corporations Act), and upon receipt of the consent of ASIC, will resign as auditor of the Company.

Directors' recommendation

The Board of Directors recommends that Shareholders vote in favour of Resolution 4.

SPECIAL BUSINESS**Resolution 5 – Approval of additional capacity to issue equity securities under Listing Rule 7.1A**

Listing Rule 7.1A provides that an eligible entity may seek Shareholder approval by special resolution passed at its annual general meeting to have the additional capacity to issue equity securities up to 10% of its issued capital (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity at the date of this Notice of Meeting and must remain compliant with the requirements of Listing Rule 7.1A to be able to utilise the additional capacity to issue equity securities under that Listing Rule.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility.

The exact number of equity securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

The Company may use the 10% Placement Facility to provide funds for the Company's development programs including the newly added petroleum interest and other exploration activities, new investments or general working capital purpose.

Additional information required by Listing Rule 7.1A

In accordance with Listing Rule 7.3A, the information set out below is provided in relation to this Resolution:

(a) Minimum Issue Price

The equity securities will be issued at an issue price of not less than the 75% of the volume weighted average price of equity securities in the same class calculated over the 15 trading days immediately before:

- (i) The date on which the price at which the equity securities are to be issued is agreed; or
- (ii) If the equity securities are not issued within 5 trading days of the date in section (i) above, the date on which the equity securities are issued.

(b) Placement Period

The equity securities may be issued under the 10% Placement Facility for a period commencing on the date of the meeting at which the approval is obtained and expiring on the earlier to occur of the following:

- (i) The date that is 12 months after the date of the annual general meeting at which approval is obtained; or
- (ii) The date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

(c) Purpose of Issue under 10% Placement Capacity

The Company may use the 10% Placement Facility to provide funds for the development programs including the newly added petroleum interest and other exploration activities, new investments or general working capital purpose. This would include but not limited to the following:

- (i) costs associated with the petroleum exploration tenement application
- (ii) costs of maintaining the existing exploration tenements
- (iii) payment of consideration for an acquisition;
- (iv) costs associated with the acquisition, including advisory or professional fees; and
- (v) general working capital purpose.

(d) Risk of Voting Dilution

Any issue of equity securities under the 10% Placement Facility will dilute the interests of existing Shareholders who do not receive any Shares under the issue.

Shareholders should note that there is a risk that:

- (i) The market price for the Company's Shares may be significantly lower on the date of the issue of the securities than on the date this Resolution is passed; and
- (ii) The Shares may be issued at a discounted price to the market price of the Company's Shares on the issue date.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of equity securities on issue calculated in accordance with the formula outlined in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Facility.

Variable 'A' in ASX Listing Rule 7.1A.2	Dilution			
		\$0.003 50% decrease in issue price	\$0.006 Issue price	\$0.012 100% increase in issue price
Number of Shares on Issue				
Current variable A 206,426,374	10% Voting dilution	20,642,637 Ordinary shares	20,642,637 Ordinary shares	20,642,637 Ordinary shares
Funds raised		\$61,928	\$123,856	\$247,712
50% increase in current variable A 309,639,561	10% Voting dilution	30,963,956 Ordinary shares	30,963,956 Ordinary shares	30,963,956 Ordinary shares
Funds raised		\$92,892	\$185,784	\$371,568
100% increase in current variable A 412,852,748	10% Voting dilution	41,285,274 Ordinary shares	41,285,274 Ordinary shares	41,285,274 Ordinary shares
Funds raised		\$123,856	\$247,712	\$495,423

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above has been prepared using the following assumptions:

1. The total number of shares on issue as at the date of this Notice is 206,426,374.
2. The Company issues the maximum number of equity securities under the 10% Placement Facility.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
4. The issue price set out above is the closing price of Shares on the ASX on 19 October 2015.
5. The Company has not issued any equity securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
6. The issue of equity securities under the 10% Placement Facility consists only of Shares.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The Company reserves the right to issue shares for non-cash consideration, including as non-cash consideration for any acquisition. The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any equity securities.

(e) Allocation policy for issues under the approval

The identity of allottees of the equity securities to be issued under the 10% Placement Facility have not yet been determined. The allottees of equity securities may include (at the discretion of the directors) current Shareholders or new investors (or both) who are not related parties of the Company.

The Company will determine the allottees on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue and the prevailing market conditions;
- (ii) methods of raising funds that are available to the Company at that time, including but not limited to, rights issues or other offer in which existing Shareholders can participate;
- (iii) the effect of the issue of the equity securities on the control of the Company;
- (iv) the financial position and solvency of the Company; and
- (v) advice from corporate, financial and broking advisers (if applicable).

(f) Previous Approval under Listing Rule 7.1A

The Company has previously obtained shareholders' approval under ASX Listing Rule 7.1A at its Annual General Meeting held on 26 November 2014 (Previous Approval). The Company has not issued any Shares pursuant to the Previous Approval.

(g) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any existing Shareholder to participate in the equity issue. No existing Shareholders will be excluded from voting on Resolution 5.

Directors' recommendation

The Board of Directors recommends that Shareholders vote in favour of Resolution 5.
